

# CARE House of Oakland County

## Job Description

Position: Clinical Therapist

Department: Therapy

Supervisor: Clinical Director

### Responsibilities:

1. Provide comprehensive, forensically sensitive, trauma-informed therapeutic services to child victims of sexual abuse and non-offending family members through individual therapy, support group, and advocacy services.
2. Complete detailed individual assessments, treatment plans, progress summaries, and progress notes.
3. Work directly with other providers to the child or family as well as school officials, counselors, principals, etc., as needed.
4. Maintain timely, accurate records for all clients.
5. Maintain confidentiality of case information and content of treatment.
6. Facilitate therapeutic groups, as needed
7. Attend weekly individual and group supervision meetings.
8. Attend conferences, seminars, meetings, etc. to continue education on the topic of child abuse and victim services.
9. Provide agency tours and information about the therapy department as needed.
10. Perform all other duties as assigned.

### Education Required:

Minimum of master's degree in social work or counseling with either a limited license or licensed masters in social work or counseling.

### Language Skills:

Bilingual language skills are preferred.

Experience Required:

Minimum of 1 year of experience providing trauma focused services for children and families in a therapeutic setting. Experience conducting therapy groups and working with child sexual abuse is preferred. Knowledge regarding the dynamics of child sexual and physical abuse is also preferred.

Physical Abilities:

Must be able to utilize a computer to prepare case documentation.

Travel:

Minimal travel is required. May include some travel to area hospitals, court, training, and special events.

Other Requirements:

Must have a valid driver's license, reliable transportation, and proof of automobile insurance.

**Must be available to work evenings.**
